An easier way to do it

I offer all services at the same hourly rate. Most of my services that I offer have a maximum cost, this means that regardless of how long it takes me resolve the issue will not exceed that amount. I have a 1 hour minimum charge. A pickup can be arranged if need be, the same hourly charge will be applied to travel time.

Hourly Rate (Minimum)	\$50
Services	Maximum Cost
Virus Removal	\$100
PC Optimization	\$100
Wireless Networking	\$100 + Hardware Cost
Hardware Upgrades	\$100 + Hardware Cost
Website Consulting	Hourly – on going
Data Recovery Consulting	Hourly – on going

My customer guarantee is that if I cannot fix the issue, there will be no charge beyond the 1 hour minimum charge.
